To,

Whom this may concern

Dear Sirs,

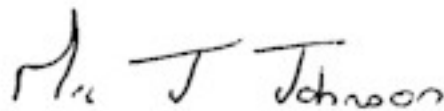

The Parish Council have been privileged to use the services provided by Mr Paver over the last three years on many occasions.

The company is prompt, reliable and efficient and the Council has no problems in recommending their services to others.

Mr Paver has also been able to provide some sound practical advice in dealing with many aspects of our work and has been able to salvage/repair many items that other companies would have simply written off.

It is our intention to continue to engage the services provided by Mr Paver as and when required.

Yours faithfully

Mrs J Johnson

Clerk to the Council
